

Before Starting the Project Listings for the CoC Priority Listing

The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.
- Project Listings:

- New;
- Renewal;
- UFA Costs;
- CoC Planning;
- YHDP Renewal; and
- YHDP Replacement and Reallocation.
- Attachment Requirement

- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New and Renewal Project Listings – all CoC project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.
- Project applications on the following Project Listings must be approved and are not ranked per the FY 2024 - FY 2025 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- YHDP Renewal Project Listing (All Rounds); and
- YHDP Replacement and Reallocation Project Listing.
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked or approved BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

Hi Chloe,

I was wondering if you could let me know if Director Boswell is in the office today and if he might be available to sign the certificate? As I mentioned earlier, today is the deadline for the grant submission to HUD, and this is the last piece we need to complete our application.

Thanks for your help!

ADECA's process for obtaining the Director's signature is that we need the entity's final application, and it needs to be included in our packet that we send forward for the Director's signature. Please send that completed/final application to me at your earliest convenience.

Hi Chloe,
I've attached emails from previous years that ADECA has signed. We are applying for HUD Continuum of Care funding to operate our Coordinated Entry and HMIS system. The applicants are seeking funding to provide Emergency Shelter and Rapid Rehousing to their communities, as well as VSP to support Domestic Violence survivors.

We need this certificate for our application. I can send the application once it is complete, as this is a new request. The deadline for the grant is today, so if possible, having this signed and returned today would be greatly appreciated.

Thanks for your help!

Hello Susan,

Thank you for your email and for sending that corrected HUD form 2991 to me. Because I cannot find in ADECA's files what paperwork was signed by the ADECA Director for ARCH's Certificate of Consistency with the State's Annual Plan for last year, please scan in and email to me the document that ARCH has from last year's Certification cycle. Once I have that copy, I will be able to see what Director Boswell signed last year.

Also, by way of ARCH's current plan for which ARCH is seeking the ADECA Director's signed certification of consistency with the State's plan, please send to me the "application" that ARCH is submitting and for which ARCH needs this current year's ADECA signed certification. Once I receive that document, I can include it with the packet of documents to be sent forward for approval for the ADECA Director to sign. Please send that to me at your earliest convenience and I will review it to see if it is what I need.

Thank you,

Good morning,

ADECA has received Alabama Rural Coalition for the Homeless' HUD 2991 form (Certificate of

Consistency with the Consolidated Plan) for the ADECA Director to approve and sign, though it is the wrong form. I have attached the correct form, as well as an example. Please note that at the bottom of that form where it says, "Certifying Official of the Jurisdiction", in the "Name" section please insert "Kenneth W. Boswell" and in the "Title" section please insert "ADECA Director". Once you have done that, please email that form back to me. ADECA also needs a copy Alabama Rural Coalition for the Homeless' FY24-25 plan to accompany the HUD 2991 form prior to that form being sent forward for the ADECA Director's approval and signature. At your earliest convenience, please send Alabama Rural Coalition for the Homeless' plan and the HUD 2991 form to me.
