

## CoC 2023 Competition – Joint TH/PH-RRH

Organization Name: \_\_\_\_\_

Project Name: \_\_\_\_\_

**Scoring guidance:**

- Full points – All standards were met
- Partial points– Some standards were met
- Zero points – None of the standards were met

### HUD Eligibility Threshold

<b>Pass/Fail</b>	<b>New Joint TH/PH-RRH component project applications must receive at least 6 out of 8 points available for this project type. New Joint TH/PHRRH component projects that do not receive at least 6 points will be rejected.</b>
------------------	--

### Joint TH/PH-RRH

Points Available	Category	Score
<b>1</b>	The type of housing proposed, including the number and configuration of units, will fit the needs of the program participants (e.g., two or more bedrooms for families.)	
<b>2</b>	The proposed project will provide enough rapid rehousing assistance to ensure that at any given time a program participant may move from transitional housing to permanent housing. This may be demonstrated by identifying a budget that has twice as many resources for the RRH portion of the project than the TH portion, by having twice as many PH-RRH units at a point in time as TH units, or by demonstrating that the budget and units are appropriate for the population being served by the project.	
<b>1</b>	The type of supportive services that will be offered to program participants will ensure successful retention or help to obtain permanent housing, including all supportive services regardless of funding source.	

<b>1</b>	The proposed project has a specific plan for ensuring program participants will be individually assisted to obtain the benefits of mainstream health, social, and employment programs for which they are eligible to apply, and which meets the needs of program participants (e.g., Medicare, Medicaid, SSI, Food Stamps, local Workforce office, early childhood education)	
<b>1</b>	Program participants are assisted to obtain and remain in permanent housing in a manner that fits their needs (e.g., provides the participant with some type of transportation to access needed services, safety planning, case Page 57 of 124 management, additional assistance to ensure retention of permanent housing)	
<b>1</b>	The project adheres to a Housing First model as defined in section I.B.2.b.(15) of this NOFO.	
<b>1</b>	The average cost per household served is reasonable, meaning that the costs for housing and services provided by the project are consistent with the population the project plans to serve.	
<b>Total Points</b>		

**Maximum Points (8)**
